INTRODUCTION

The presenting of this Lantz History has been undertaken through the request of J. W. Lantz of Cedar Springs, Va., who had asked me to provide material for a larger Lantz history in which he was directly interested. After the work was undertaken a considerable interest was manifested and it was decided to use the material which I had gathered in this book. I trust it will be of interest to our Lantz family descendants as well as to others who are interested in genealogies.

Sincerely yours,

B. L. Lantz.
